EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Justin M. Sobaje, Reg. No. 56,252, on 28 February 2006.

The application has been amended as follows:

In the claims, please cancel claims 25 and 26.

Claims 25-26 (Cancelled).

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. **Claims 1-4, 9-12 and 17-24 are allowed.**

Claim 1 is limited to "an internet protocol (IP) telephone." As shown in the previous Non-Final Office Action filed 20 September 2005, Karam in view of Bingley makes obvious an IP telephone comprising: an input connector, a separator, telephone circuitry and a power source circuit as recited. However, Karam in view of Bingley fails to disclose, teach or suggest a CPU that both (1) causes said telephone circuitry to provide audio input and output and (2) determines an amount of power being consumed by said CPU and turn said limit removing means on or off based on the determined amount of power being consumed by the CPU. To the contrary, Karam in view of

Bingley teach a CPU (Karam figure 3, element 122) that provides feature (1) noted above and a separate and distinct CPU (Bingley figure 1, element 42) that provides feature (2) noted above. Thus, claim 1 is allowable over the cited prior art.

Claims 2-4, 9-12 and 17-24 are limited to "the IP telephone in accordance with claim 1," and thus, are allowable over the cited prior art for at least the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
